The Public Utilities Regulatory Commission (PURC) has initiated the process for the examination and approval of electricity and water tariffs for 2018. This is in accordance with the PURC Act, 1997 (Act 538).

The 2018 Major Tariff Review commenced by way of soliciting inputs from all stakeholders of the Commission and the general public. The Commission has subsequently received proposals from the Utility Companies: Volta River Authority (VRA); Ghana Grid Company Limited (GRIDCo); Electricity Company of Ghana (ECG); Northern Electricity Distribution Company (NEDCo); Ghana Water Company Limited (GWCL); Enclave Power Company (EPC), Ghana Chamber of Telecommunication including the Government of Ghana. Analysis of the received proposals is ongoing.

The general public is therefore by this release being reminded to submit their inputs as requested in our earlier advert to the public in respect of the Major Tariff Review on or before the deadline of 31st January, 2018.
